

Vaccine Assist Programme

What is Vaccine Assist?

Dr M and her team at CareWorks are here to:

Provide ongoing education on the COVID-19 vaccine

Update you on breaking news

Conduct a health survey to help you know when you can have your vaccine

Provide post-vaccination support

We're here to
give you
support and
advice!

Do you still have questions?

Ask Dr M: 0800 24 36 72
